By Jeremy Lazar

Lion's Share Entertainment/Sell-A-Vision, the infomercial company at Universal Studios, in Orlando, Florida, recently finished filming their half-hour infomercial for Sunbelt Business Brokers, starring Sunbelt's president Franco Ferrari. Over the course of five days, the shoot covered a wide variety of locations, bringing together a diverse array of both successful business buyers and sellers, several of Sunbelt's brokers, and a small group of actors, who were there to illustrate the process of both buying and selling a business through Sunbelt Business Brokers.

Rick Austin, Lion's Share Entertainment's Executive Producer oversees the filming of a testimonial.
