By Jeremy Lazar

On Saturday, Lion's Share Entertainment/Sell-A-Vision, the infomercial company at Universal Studios in Orlando, Florida, held an open audition for their latest commercial project - the Wonder Claw™. Starting at 10 a.m. and lasting throughout the day, the casting call brought in droves of promising actors, all vying for the few coveted roles available.

The Wonder Claw™ is an amazingly versatile home and garden product that can pick up anything outdoors from large branches, to single leaves. It can spread mulch, root up weeds, and even pick up after your pets. Inside the home, the Wonder Claw™ is just as handy for reaching high shelves, wringing out rags, and, by grabbing a towel, can even be used as a mop! Auditioning hopefuls were

able to try out the product for themselves as they acted out various scenes from the upcoming infomercial.

While many actors came out to the audition, only eleven will be able to make the final cut. The cast list will be announced on Wednesday, May 10<sup>th</sup>. Lion's Share wishes good luck to all that came out.
